1. Acceptance of these Terms

By downloading, installing, or using the RiftRoster desktop app, or by using riftroster.gg (together, the "Service"), you agree to these Terms of Service ("Terms"). If you don't agree, don't use the Service.

2. About RiftRoster

RiftRoster is a companion app for League of Legends that displays champion tier lists, matchup statistics, and win-probability predictions built from publicly available League of Legends data. RiftRoster isn't endorsed by Riot Games and doesn't reflect the views or opinions of Riot Games or anyone officially involved in producing or managing League of Legends. League of Legends and Riot Games are trademarks or registered trademarks of Riot Games, Inc. Game data displayed in the Service is retrieved from Riot Games' official API under license, and remains the property of Riot Games, Inc.

3. Eligibility

The Service is intended for the same age group as League of Legends itself, and isn't directed at anyone under 13 years old. By using the Service, you confirm you meet this minimum age.

4. License to use the app

Subject to these Terms, RiftRoster grants you a limited, personal, non-exclusive, non-transferable, revocable license to download and use the RiftRoster desktop app for your own, non-commercial use. You may not sell, rent, sublicense, redistribute, or otherwise make the app available to third parties, and you may not reverse-engineer, decompile, or disassemble the app except to the extent expressly permitted by applicable mandatory law.

5. Acceptable use

When using the Service, you agree not to:

- Use the Service in any way that violates Riot Games' own Terms of Service, API Terms of Use, or other applicable policies;
- Attempt to gain unauthorized access to RiftRoster's backend, database, or infrastructure, or to disrupt or overburden the Service;
- Scrape, bulk-extract, or systematically republish data from the Service without our prior written consent;
- Use the Service for any unlawful purpose, or in a way that infringes the rights of Riot Games, other players, or any third party.

6. Predictions and statistics are estimates

Champion tier lists, matchup statistics, and win-probability predictions provided by RiftRoster are statistical estimates generated from historical and publicly available match data. They are provided for informational and entertainment purposes only, are not guaranteed to be accurate or complete, and should not be relied on as a guarantee of any particular outcome in any match.

7. Intellectual property

Aside from League of Legends game data and assets (which remain the property of Riot Games, Inc. and are used under license), all other content, design, source code, statistical methodology, branding, and trademarks associated with RiftRoster are owned by RiftRoster. Nothing in these Terms transfers any ownership of that material to you; you receive only the limited license described in Section 4.

8. No warranty

The Service is provided "as is" and "as available", without warranties of any kind, whether express or implied, including warranties of merchantability, fitness for a particular purpose, accuracy, or non-infringement, to the fullest extent permitted by applicable law.

9. Limitation of liability

To the fullest extent permitted by applicable law, RiftRoster shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of data, arising out of or in connection with your use of, or inability to use, the Service.

10. Changes to the Service

We may modify, suspend, or discontinue any part of the Service, including individual features, at any time, without liability to you.

11. Changes to these Terms

We may update these Terms from time to time. We'll update the "last updated" date below, and for material changes we'll aim to give notice via the website or app before they take effect. Continuing to use the Service after changes take effect means you accept the updated Terms.

12. Termination

We may suspend or terminate your access to the Service at any time if we reasonably believe you've violated these Terms. You may stop using the Service at any time by uninstalling the app.

13. Governing law and jurisdiction

These Terms are governed by the laws of Switzerland, without regard to its conflict-of-law principles. Any dispute arising out of or relating to these Terms or the Service shall be subject to the exclusive jurisdiction of the courts of Zurich, Switzerland, except where mandatory consumer-protection law provides otherwise.
